STEP ONE: Current Event Research Organizer

Directions:

- 1. Find a topic from SIRS Leading Issues (sirs.com) that you find interesting. (username: skyms password: hawks)
- 2. Read the "At Issue" summary to get an overview of the issue. Record the main ideas below (bullet points OK).
- 3. Then read at least one article from the Pro category and at least one article from the Con category. The articles you select may be no older than 5 years. If possible, watch a video and record the essential details.
- 4. Identify the strongest arguments (facts, quotes, statistics, etc.) each side presents and record them below.

Topic:		Essential Question:
Key points to include in the sumn	narv:	
ne, points to include in the summ	,.
